

Sports Premium

New Funding to support Primary PE and School Sport

In April 2013, the Government announced new funding of £150 million for physical education (PE) and sport. This funding should be used to improve the quality and breadth of PE and sport provision. Our school has been allocated £20,120 for the academic year 2017-18.

Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

How we will be spending the Sports Premium Funding in the Academic Year 2018-19.

NATURE OF SUPPORT	Cost
Working with specialist PE teachers to coach the staff at Our Lady and St. Joseph's to improve sports provision even further	£ 5375
<u>Intended Impact</u>	
To improve teachers skills and knowledge of competitive games, modified where appropriate [for example, badminton, basketball, cricket, football, hockey, netball, rounders and tennis], and apply basic principles suitable for attacking and defending. This will therefore improve pupil's participation, enjoyment and outcomes.	
To improve teachers skills and pedagogy of key games skills e.g. throwing and catching	
To increase the range of sports available at Our Lady and St Joseph Catholic Academy by introducing a new sport: Volleyball	£ 500
Purchase 2 outdoor volleyball nets	
Purchase Volleyball equipment	
Employ specialist volleyball coaches to work with staff and pupils.	
<u>Intended Impact</u>	
To provide pupils with a wider range of sports in which to participate and therefore give pupils a love of sport and activity and for this to continue into their adult life. Increase the amount of time pupils are active during the school day by making the volleyball available to pupils during breaks and lunchtimes. To run a volleyball after-school club.	
Provide professional development opportunities for teachers in PE and sport; including cover to release primary teachers for professional development in PE and sport.	£ 1000

Intended Impact

To improve the quality of P.E. and Games teaching across the school, through professional INSET and support and coaching from P.E. Manger. To ensure all teaching of P.E. is at minimum good and the majority outstanding.

To develop pupils physical activity during break times through the enhancement of the outdoor environment (activity trail and outdoor gym) £ 11,350
Purchase new 'Huff and Puff' equipment and storage (KS1)
Training for lunchtime supervisors and Year 6 sports leaders (KS1)

Intended Impact

To increase pupils' physical activity during break and lunchtimes, by providing new sports equipment for pupils to use, a stimulating playground and sports leaders to lead games with KS1 pupils.

To purchase high quality P.E. and Games planning and teaching resources, which include online videos to aid staff, in the teaching of the subject. (Primary P.E. Planning) £1895

Intended Impact

Improvement in the quality of teaching during games and P.E. lessons. To ensure all teaching of P.E. and games is at minimum good and the majority outstanding.
To improve pupils performance and understanding during games and P.E. lessons, through mirroring examples shown to them on exemplar video extracts.
