New Funding to support Primary PE and School Sport

In April 2013, the Government announced new funding of £150 million for physical education (PE) and sport. This funding should be used to improve the quality and breadth of PE and sport provision. Our school has been allocated £20,200 for the academic year 2018-19.

Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

How we will be spending the Sports Premium Funding in the Academic Year 2019-20.
